Informed SPRE Kymaki that the amendment filed on 4/8/05 after the final rejection removed the prior art rejections of record. Also informed the SPRE that the indicated allowability of the claims will be withdrawn due to the discovery of a new reference. The SPRE stated that it would be OKay to enter only the amendment filed on 4/8/05 since the Advisory Action of 1/13/05 informed applicants that the first amendment filed on 12/27/04 would not be entered and the amendment of 4/8/05 was filed in response to the Advisory Action.	5/5/05	JED
